ABOUT ME

I am a conscientious, highly organized, and adaptable individual with a bachelor's degree in Political Science and additional training in full-stack web development. I possess strong communication, interpersonal, and problem solving skills. I thrive in dynamic team environments where synergy drives excellence and results. Reliable and detail-oriented, I aim to contribute meaningfully to organizational goals while continuously learning, evolving, and adding long-term value.

BACHELOR OF SCIENCE

Developed strong analytical, critical thinking, and research skills through coursework, academic projects, and in-depth analysis of political systems, policies, and international affairs. Gained the ability to assess complex issues, interpret data, and construct well-reasoned arguments and solutions.

NATIONAL EXAMINATIONS COUNCIL (NECO) SENIOR SECONDARY CERTIFICATE.

I completed my senior secondary education at in HolyLand Demonstration School, Edo State,Nigeria, earning the National Examinations Council (NECO) Senior Secondary Certificate. During my time there, I engaged in a comprehensive curriculum that included core subjects such as English Language, Mathematics, Sciences, and Social Studies, along with elective courses that broadened my knowledge base.
